ON YOUR SIDE

Please help Alzheimer's Tennessee make Christmas brighter for seniors with memory loss in our community. Many of these seniors have no family or few visitors and Purple Santa provides bright spot in their day. If you would like to help, volunteers are needed to collect items, package gifts and deliver during December. Collected new items may be dropped off at Lexus of Knoxville, 10315 Parkside Drive under the Christmas trees in the showroom or at Alzheimer's Tennessee, 5801 Kingston Pike (8am-5pm). Please call Amanda Armstrong at 865.544.6288 or email [Amanda.armstrong@tnalz.org](mailto:Amanda.armstrong@tnalz.org) for additional information or to volunteer.
